

## Hawk of the Month January 2017 award goes to:

**Reece Ewens**

There were smiles all round as Reece Ewens from our Under 11 squad claimed the Hawk of the Month award for January 2017.

Reece has been with the club and my team since he was 5 - so over 6 years now and in that time has played over 70 games so far.

Reece has never missed a training session or a match unless it's through illness and he is always willing to help and support other team mates, you can hear his giving encouragement on the pitch during games, although he is one of the smallest defenders I have he never shy's away from a tackle of challenge. He has even contributed to some of our goals scored and has one of the longest celebrations I have seen.

He is always willing to contribute and has lots of suggestions at training which are sometime useful. He is always determined to do well for the team and is very disappointed when they game does not go our way.

Reece is a great character and works hard for the team and his mates.

The Hawk of the Month award is open to all players in the Club and is based on nominations made by each team manager. The winner receives a certificate and gift voucher.
